SPECIALIZATION

Health Communication, Public Health Campaigns Design and Evaluation, Nostalgic Emotions, Social Media Audience Engagement, Intercultural Communication, Computational Social Science.

EDUCATION

PhD, Media and Information Studies	2013 - 2018
School of Journalism, Michigan State University, USA	
MA, Health & Risk Communication (Fulbright Scholarship)	2012 - 2013
School of Communication, Michigan State University, USA	
PGCert, Public Health	2007
The University of Manchester, UK	
MBA, Information Technology Management	2002 - 2005
International Islamic University, Pakistan	
BA, Business Administration	1999 - 2002
Foundation University, Pakistan	

SUMMARY OF PROFESSIONAL EXPERIENCE

University of Sharjah, UAE	Jan 2026
Associate Professor, Dept of Mass Communication, College of Communication	
University of Sharjah, UAE	Aug 2023 - Dec 2025
Assistant Professor, Dept of Mass Communication, College of Communication	
Arizona State University, USA	Aug 2018 - Aug 2023
Assistant Professor, Walter Cronkite School of Journalism and Mass Communication, Arizona State University	
Michigan State University, USA	Aug 2013 - Aug 2018
Graduate Research Assistant funded by Robert Wood Johnson Foundation, National Science Foundation, and Global Development Lab, USA	
Save the Children International	Sept 2010 - Oct 2011
Manager Water, Sanitation and Hygiene in Flood Response Program	
International Rescue Committee	2008 - 2010
Behavior Change Communication Manager for USAID funded Earthquake Response project	
Rawalpindi General Hospital	2007
Research Coordinator, Islamabad, Pakistan	
Johns Hopkins University's Center for Communication Program, Pakistan	2006
Events Coordinator	
Interflow Communications (Advertising Agency)	2005 - 2006
Audio-Visual Executive in Interflow advertising agency, Islamabad, Pakistan	

FUNDED RESEARCH GRANTS

- **2025-2026** Integrated Psychosocial Care Plan for Comorbid Depression in Breast Cancer Patients in Low Resources Settings funded by NIHR Research and Innovation for Global Health Transformation Call 6 Stage 2 (Award ID: NIHR205561) [£4,998,786 GBP]. *Role:* Technical Advisor for Work Package #3: Community and Social Media Campaign for prevention and early identification of breast cancer.
- **2023-2026** Burns Rehabilitation: A multidisciplinary program for burns management, treatment, and prevention in low-income countries funded by the National Institute for Health and Care Research (NIHR) Research and Innovation for Global Health Transformation Funding Stream, UK (Award ID: NIHR203082) [£3.3 million GBP]. *Role:* Consultant for Work Package #4: Develop a Health Education and Communication Campaign to Address Burn-Injury Stigma, Prevention, and Risk Assessment in Pakistan.
- **2024** Harmony@Work: A Media-Centric Approach to Fostering Tolerance at Workplaces in UAE [AED 37,900], University of Sharjah, UAE. *Role:* Principal Investigator (PI).
- **2023** Muslims in the Media: Empowering Youth Engagement through Global Perspectives [\$45,000], ACLS (American Council of Learned Societies) and Luce Foundation program in Religion, Journalism, and International Affairs. *Role:* Co-Principal Investigator (Co-PI).

RESEARCH SOFTWARES AND SKILLS

Research	Social Media Analysis: CrowdTangle, BuzzSumo, KeyHole, DataMinr, comScore Interviews, Focus Groups, Surveys, A/B Testing, Experimental Research Data Analysis: R Language, Jamovi, SPSS, NVivo, Atlas.ti, R Programming Mobile Phone App Development: Dimagi CommCare Psychophysiological and Eye Tracking Research: MediaLab, BIOPAC, Tobii Studio Data Visualization: RapidMiner, Tableau
Media	Virtual Reality: Unity 3D Documentary Production: Adobe Premiere, Final Cut Pro Graphic and Web Design: Adobe InDesign, Photoshop, Dreamweaver, Illustrator

TEACHING EXPERIENCE

University of Sharjah, UAE

- **Media & Society** The course covered new media and communication technologies for social science specifically including the rapid developments in AI and Robotics.
- **Cross-cultural Communication** The course examines main theories of cross-cultural and intercultural communication with emphasis on case studies from diverse audiences.
- **Communication Theories** The course covers main theories from the field of media effects, health communication, emotional appeals, family communication, and narratives and story-telling.
- **Quantitative Research Methods** The course introduces quantitative research methods including surveys, experiments, quantitative content analysis among other methods and data analysis techniques using Jamovi statistical software.
- **Qualitative Research Methods** The course introduces qualitative research methods, the importance of theory-guided research, and key methods including interviews, focus groups, and qualitative content analysis, culminating in a final proposal.
- **Introduction to Graphic Design** The course explores five main principles of graphic design: audience, layout, color, images, and type. Students learn Adobe Illustrator, Photoshop, and InDesign.
- **Seminar in Media Ethics** The course provides an overview of ethical dilemmas in comparative media systems, with case studies and real-world practices. It discusses moral dimensions of journalism, advertising, and public relations, and critically reviews regional and international media codes of ethics.
- **Research Methods and Data Analytics** An introduction to basic qualitative and quantitative research methodologies in mass communication, public relations, and advertising. Covers conceptual foundations, measurement, scale construction, interviews, research ethics, and hands-on survey design practice.
- **Special Topics in Communication** The course covers main theories of health communication in the UAE context. This PhD-level seminar results in individual case study projects based on health communication readings.

- **Principles of Digital Photography** This course teaches the art and science of digital photography, exploring camera settings, composition, lighting, and post-processing techniques using Canon DSLR cameras.

Arizona State University, USA

- **MCO 437 Social Media Audience Acquisition and Engagement** Covers social media audience acquisition through search engine optimization, search engine marketing, Google ad creation, and advertisements.
- **MCO 563 Social Media Communication Campaigns and Engagement** Explores human psychology behind online audience engagement, social media listening and monitoring techniques, digital advertising, content creation, viral campaigns, and A/B testing.
- **MCO 463 Digital Audience Research & Behavior** Focuses on traditional and emerging research methods, social network analysis, research ethics, online data collection, and social media demographics.
- **MCO 335 Social Media Foundations** Introduces students to the contexts and forms of social media, exploring what social media platforms are, who uses them, who benefits, and how they transform the media landscape and our world.
- **MCO 302 Media Research Methods** Teaches students to gather data scientifically with ethical considerations, analyze and report data for stories or research papers, and develop statistical literacy for communication professionals in the age of big data.
- **MCO 450 Visual Communication** Examines the theory behind visual communication, image analysis, and the history of visual communication from cave paintings to the internet and social media, to inform, educate, and persuade.

Michigan State University, USA

- **COM 325 Social Influence & Persuasion** (Spring 2017) Focus: Theory and methods pertaining to persuasion and social influence. Teaching Assistant for in-person course.
- **JRN 892 Mobile Phones for Public Health** (Summer 2016) Focus: Mobile phone app development for health education. Sole Instructor for online course.
- **JRN 108 Introduction to Journalism, The World of Media** (Fall 2015 and Spring 2016) Focus: Journalism, social media, advertising. Teaching Assistant for in-person course.
- **JRN 430 Media Law and Ethics** (Summer 2017) Teaching Assistant for online course.
- **COM 475 Communication Campaign Design and Analysis** (Fall 2017) Focus: Design and evaluation of public communication campaigns. Teaching Assistant for in-person course.

PROFESSIONAL DEVELOPMENT

- **2017** Synchrony in Human Communication Systems. International Summer School at Michigan State University.
- **2016** Designing for Behavior Change: For Agriculture, Natural Resource Management, Health and Nutrition. Organized by CoreGroup, Washington, DC.
- **2014** NIH Funded One-Health Symposia. Michigan State University.
- **2011** Emergency Operations Program Training. Organized by Save the Children in London, UK.

- **2010** Exposure Visit to IRC's Project for Burmese Refugees in Thailand. Chang Mai and Chang Rai, Thailand.
- **2009** Behavior Change Communication Strategy Development Workshop. Howard & Delafield International (HDI), Dubai.
- **2009** Population Leadership Executive Training Programme Lahore University of Management Sciences, Pakistan.

PROFESSIONAL AFFILIATIONS

- **2024** [Reviewer] International Journal of Strategic Communication
- **2024** [Reviewer] Journal of Information Technology & Politics
- **2020–2023** [Reviewer] Health Communication Journal
- **2022** Speaker, 'Health and Risk Communications: From Challenges to Solutions' talk organized by US Educational Foundation Pakistan
- **2022** Presenter, 'Faith in the Story' workshop organized by the Notre Dame University's School of Global Affairs titled Trialogues for Enhancing Religious Literacy
- **2022** [Reviewer] International Journal of Communication
- **2021** Grantee, Pakistan-US Alumni Network grant to design a social media campaign to improve peace communication in Pakistan
- **2021** [Reviewer] International Journal of Strategic Communication
- **2020** Member, Broadcast Education Association (BEA) graduate diversity committee
- **2019** Speaker, Robert Wood Johnson Foundation (RWJF) journalism workshop on 'Virtual Reality Interventions to Improve Mental Health'
- **2019** Presenter, U.S. State Department's "Journalism, Technology & Democracy" workshop at ASU

- **2019** Panelist, ‘Religion and Nationalism’ session at the Recovering Truth: Religion, Journalism, and Democracy workshop funded by Henry Luce Foundation at The Center for the Study of Religion and Conflict, ASU
- **2019** Opinion piece writer, AZ Capitol Times on Ancient Islamic Wisdom to Address Fake News and Misinformation [Read](#)
- **2019** Walter Cronkite School of Journalism and Mass Communication, Digital Audiences Program Steering Committee, Curriculum Committee meeting to evaluate the effectiveness of intermediate reporting and writing courses held on April 3, 2019.
- **2017** [Reviewer] Journal of Communication in Healthcare: Strategies, Media and Engagement in Global Health
- **2017** [Reviewer] Information and Communication Technology for Development Conference, [Communication Ambassador] Computer Human Interaction - Special Interest Group
- **2016** [Student Volunteer] Computer Supported Collaborative Work (CSCW)
- **2013–2015** [Student Research Café]. Organized student research meetings to foster conversations about emerging and interdisciplinary research topics. Examples:
 1. Machine & Deep Learning and its implications for social science
 2. Panel discussion of Trifecta from College of Communication, Nursing and Engineering, MSU
 3. Excellence in teaching and research
 4. Student funding opportunities
 5. Navigating through PhD program
- **2013–2015** [Community Coordinator] Residence Education & Housing Service, MSU
- **2014** [Reviewer] American Medical Informatics Association Conference
- **2013** [Community Health Internship] Office of International Students & Scholars
- **2013** [President] Pakistani Student Association, MSU

PROFESSIONAL EXPERIENCE

Global Center for Food Systems Innovation (USAID funded project at Michigan State University) 2013 – 2017

Graduate Research Assistant

- Responsibilities included:
- Printing of White Papers and Project Briefs:
- Adhered to MSU and USAID’s communication and branding guidelines.
- Generated ISBN numbers and managed graphic design and printing
- Planned and produced webinars on Agriculture and Food Security issues
- Produced monthly newsletters sent to project partners, donors, and key stakeholders
- Managed digital marketing activities including regular Twitter, Facebook, and Flickr updates to maintain project visibility and disseminate impact
- Worked as a translational scholar to produce podcasts about Agriculture and Food Security topics, featuring B-Heard scholars, MasterCard Foundation scholars, African Graduate Student Association members, and other researchers at MSU and elsewhere. Podcasts recorded at WKAR studio and published at FoodFix and AgriLinks Podcasts ([Link](#))
- Facilitated students and faculty in creating engaging conference and poster presentations
- Maintained project website to host publications, success stories, and announcements
- Utilized social media analytics to report outreach and impact for USAID’s M&E and reporting purposes

- Wrote blogs and text stories on faculty and student projects on Agriculture and Food Security
- Drafted news and press releases of project announcements, success stories, and updates
- Produced YouTube videos and photo-stories of GCFSI-funded student and faculty grant recipients
- Managed media coverage of workshops and roundtable discussions
- Participated in all USAID-led TechCon conferences and presented at Innovation Marketplace, pitching innovative projects for social development

Save the Children International

2010 – 2012

Manager Water, Sanitation and Hygiene, Flood Response Program

Pakistan

- Developed a comprehensive water, sanitation, and hygiene promotion strategy for flood-hit areas of Punjab, Pakistan
- Supervised a staff of 3 District Coordinators, 30 Project Officers, and 60 Community Mobilizers during village cleanup campaign
- Mobilized over 5,300 local committee members and provided livelihood support through a cash-for-work program of village cleaning and solid waste management
- Supervised the conduct of 18 Hygiene Promotion Interactive Theatres and distribution of 30,000 mini hygiene kits for sustainable behavior change among children and adults

International Rescue Committee (USAID, Earthquake Response)

2008 – 2010

Behavior Change Communication Manager

Pakistan

- Developed a comprehensive health communication campaign to increase awareness on antenatal/postnatal care, birth preparedness, newborn care, and child health
- Produced 28,000+ minutes of infotainment, including a 30-episode radio drama, 9 radio drama promos, 8 radio commercials, 45 time-check spots, a song, and a jingle, reaching 1.8 million listeners directly in Bagh/Mansehra and indirectly in AJK and NWFP
- Launched a far-reaching BTL campaign for MCH awareness in earthquake-hit areas, reaching over 12,000 direct beneficiaries through 70+ health education sessions, health quiz competitions, puppet shows, and school-based painting and debate competitions; doubled impact with 500+ impressions via indoor/outdoor promotions, billboards, branded taxis, announcement vans, and media coverage
- Managed the creative development and implementation of a pioneering mother, neonatal, and child health IVR in partnership with Telenor Pakistan for approximately 0.5 million cell phone users and direct beneficiaries; directed the launch campaign through community and mass media promotional activities
- Accomplished “Hifazat” branding of 24 primary healthcare centers with government support, enhancing health systems and increasing service utilization and collaboration
- Bridged communication between national and international campaign partners for qualitative research, including 3 pre-test and 4 post-test studies of the Hifazat brand, IVR helpline, and community launches

Rawalpindi General Hospital

2007

Research Coordinator

Islamabad, Pakistan

- Supervised a Randomized Control Trial research study on the effect of cognitive behavior therapy to improve breastfeeding practices among women

- Produced 3 training videos on child-psychiatry for use by medical students as educational and teaching aids

Johns Hopkins University Center for Communication Program

2006

Events Coordinator

Pakistan

- Planned, organized, and conducted a 2-week workshop on Leadership in Strategic Health Communication and a 3-day workshop on Spitfire Strategies in Health Communication for 30+ participants

Interflow Communications (Advertising Agency)

2005 – 2006

Audio-Visual Executive

Islamabad, Pakistan

- Managed the Audio/Visual department and produced a video documentary for Save the Children, a TV commercial for National Savings, conducted market surveys, and developed numerous concept/mood boards in collaboration with creative and copywriting departments
